The Sweetheart Season is their story. But is it? But is it? Told many years later by a team member's grown daughter, this is an attempt by a child of the suspicious 1960s to understand the romance of her mother's era, when happy endings were guaranteed and goodness ruled the land--or so she's been told.

1. Why does the narrator of The Sweetheart Season state up front that the story she is about to tell is "told by two liars"?
2. The narrator is a child of the 1960s--a person labeled a "baby boomer" by popular culture. How does her perception shape the story, and what shaped her perception?
